SELECTED PROFESSIONAL AND BUSINESS EXPERIENCE

Price Waterhouse LLP - Dispute Analysis and Corporate Recovery Group

Headed the Dispute Analysis and Corporate Recovery Group in the Columbus, Ohio office of Price Waterhouse, LLP. This group provided a wide range of financial and economic consulting services including providing expert testimony in both litigation and arbitration matters, as well as special investigative projects. Additionally, this group provided bankruptcy, reorganization, and turnaround services to financially troubled companies of all sizes. Experience includes the following:

- Analyses of financial, accounting, economic and tax issues in numerous legal disputes
- Lost profit analyses, business valuations, analyses of economic damages
- Civil and criminal fraud investigations
- Court-appointed referee to conduct investigation of accounting records
- Court-appointed Special Master to conduct evidentiary hearings on accounting issues
- Analyses of purchase price disputes in merger/acquisition transactions
- Development of damage strategies
- Discovery assistance
- Critique of opposing expert's analyses
- Assistant to court-appointed receiver
- Expert testimony in federal and state courts and in arbitration proceedings

Legal Experience

- Primary responsibility for the law firm's representation of clients in all federal and state tax matters, including the audit process, preparation of tax protests and Tax Court petitions, negotiations with IRS representatives and office of IRS District Counsel.
- Representation of proprietorships, partnerships, and corporations with respect to various issues including financial and tax planning, tax compliance, contracts, general commercial law, real estate, industrial development bond financing and estate planning.
- Negotiation and drafting of stock and asset purchase and sale agreements and stock redemption agreements, buy-sell agreements, employment agreements, commercial real estate purchase and sale contracts, deferred compensation agreements and leases.
- Experience in cases in various state and federal courts in Ohio, The Ohio Board of Tax Appeals, The New York Stock Exchange Board of Arbitration, and the United States Tax Court.

Coopers & Lybrand

- Responsibilities as a tax intern consisted primarily of performing research projects involving federal tax issues
- Analysis of tax and financial consequences of various restructuring alternatives

Price Waterhouse - Audit

- Auditing and consulting functions performed for a variety of business organizations ranging in size from small local companies to multinational corporations
- Evaluation of internal controls and testing of recorded transactions
- Performed several acquisition reviews

EDUCATION
